### *From the Oriental Chair...*

Brothers,

While I was doing Worshipful Brother Roberts funeral oration 2 weeks ago thought crossed my mind; I wondered how I will be remembered as a man, as a Mason, as a Father, as a son.

My intention is to have the Square and Compasses as the only signifying mark on my gravestone. Not some fancy laser-etched picture, or a funny saying; just the Square and Compasses and my name.

I hope that those who knew me will look at it and agree that that symbol is the perfect way to sum up my life as they knew me, as I carried myself throughout the entirety of my life.

Some days it is truly necessary to hold myself accountable to what that Square and Compasses signifies for me and what it reminds me to be.

We are no better than the next man, we are just trying to be better men. I challenge each and every one of you to be the person that anyone who knows you personally thinks of whenever they see a Square and Compasses.

Walk Uprightly My Brothers
