## Master's Message

May's Message from the

East

Brethren,

Our beautiful Masonic ritual never fails to impress upon us the wonderful tenants of our awesome fraternity. But, to memorize is one thing, to try and live by them is the true test of a man. I try, but many more times than not, fall short of this lofty goal. Yet, try again, should be our constant aspiration. To assist us in this goal, those wise and virtuous founders of the craft gave us the task, "to memorize". Concepts forever imprinted on our mind, that, we may never lose sight of the true secrets of Freemasonry. Fellowship, the companionship of like-minded individuals, to aid in our reformation. Symbols, most impressive, to be a constant reminder of our important duties. What a beautiful system to make good men better.

Peter Buchert, WM
